- R150 **The Sileni The Triangle, Merlot, Hawke's Bay, 2018 New Zealand**
Tasting Notes: Ruby. These 2007 merlots from Hawkes Bay are very good. This one is so fragrant there is almost a jujube quality to it, but let's say red roses and red and black plums, with a hint of spice which is almost confusable with ripe syrah. Palate is still firm, good plummy flavours, gentle oak, all in attractive balance and though not a low cropping rate, the wine is more substantial than many from Sileni. 13.5% Vol

Our Organic & Biodynamic Wines Selection

Fruit in general and particularly grapes are some of the most pesticide laden products on the planet. As a result, more vineyard owners are reverting to producing organic and biodynamic wines, resulting in healthier, more balanced vineyards after a few years of not damaging the environment by using agro-chemicals.

They also feel that because their wines are so pure, they can also reflect their origins better. Taste the difference and see for yourself!

Organic indicates that the wine has 95% organically grown ingredients (the other 5% must not be available organically). Again the certifying agency must be listed and the wine has the same sulfite requirements as 100% organic.

Biodynamic is based on the precise observation and an attempt at balance of nature, a concept originated by the early 20th-century Austrian philosopher Rudolf Steiner. So, biodynamic wine is not only 100% organic, in addition, the grower has gone beyond to try to bring the farming process more closely in tune with nature. Biodynamic growers may make their own compost and/or carefully watch the stars and phases of the moon.
